

# A VIEW FROM THE TOP

**A dytum  
2004**

*Opening*

### **A note from the Editor...**

Now that the *Adytum* is finally finished, I would like to thank the dedicated few who are responsible for the production of this amazing book. I would not have made it through the year without my Assistant Editor, Courtney Friedman. She is an outstanding leader and I could always count on her to get the job done. A special thanks goes to Cookie Sunkle, our advisor, and Jostens Representative, Robin Fritts for their support and for trusting every decision Courtney and I made throughout the year.

I would also like to thank everyone who provided pictures. Your contribution to this book makes this year one of the best ever, allowing us to represent a wide range of Denison students and activities.

As a recent graduate, my term as Editor has come to an end, and it is my honor to present to you the 111th edition of the *Adytum*. I hope you enjoy looking back and remembering the "View From The Top" of the hill in a little town called Granville.

# To our daughter, Colleen, affectionately

No words can accurately describe deep feelings.

They are a vain attempt to realize the sensations of the heart.

Know that we want you to experience the best life has to give as you.  
Contemplate these beautiful verses by Max Ehrmann, written in 1927.

## Desiderata

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible, without surrender, be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even to the dull and ignorant; they too have their story. Avoid loud and aggressive persons; they are vexatious to the spirit. If you compare yourself with others you may become vain or bitter, for always there will be greater and lesser persons than yourself.

Enjoy your achievements as well as your plans. Keep interested in your own career, however humble, it is a real possession in the changing fortunes of time. Exercise caution in your business affairs, for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals, and everywhere life is full of heroism. Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment, it is as perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with dark imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive Him to be. And whatever your labours and aspirations, in the noisy confusion of life, keep peace in your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.

There will always be a warm, glowing light left on for you in our hearts.  
Its loving hue will never burn out.

With Pride, Peace, Love and Joy.  
Mom and Dad

# Elizabeth Anne Carlisle

Our Dearest Elizabeth Anne,

You are a winner.  
You live each day with faith.  
You fear failing - but you refuse to let fear be in control.  
You are patient and kind.  
You know you are not perfect (though we believe you are).  
You hang on for the long process.  
You encourage laughter and cause smiles.  
You realize there is more than one way and are willing to try another.  
You are flexible.  
You fight harder when life is tough.  
You know a goal is only as worthy as the effort that is required to achieve it.  
You are a listener.  
You take calculated risks.  
You are a positive thinker and show optimism.  
You make the most of your strengths and respect your weaknesses.  
You won't let a fall keep you from climbing.  
You see good in all humanity.  
You make the ordinary, extraordinary.  
You believe in the path you have chosen and are devoted to seeing it through.  
You show love for those who surround you.  
You make this world a better place.  
You are a precious gift from God - to whom we give thanks and praise.  
You fulfill our lives!

We love you,  
Mom and Dad

***Congratulations

where to go  
So make the best of this test and don't ask why

I hope you had the time of your life.

# Congratulations, Nate!

When we thought about having a family, we thought...  
'Wouldn't it be nice to have a son?'

A son to cheer on to great achievements...  
A son to amaze us by his love of and for life...  
A son who would show commitment and loyalty to his friends and family...  
A son who would have a passion and courage to stand up for what is right...  
A son who could take the road less traveled if that was the way he wanted to go...  
A son who would challenge the status quo and question everything...  
(A son for whom a day without video games would be like a day without sunshine:)...

And so there was you, Nathan. A most precious part of us to grow up and become your own wonderful and unique self.

Just when we think we couldn't be any prouder, you graduate from Denison after a quick, distinguished three years.

Our hope for you is that you'll find your heart's desire in life and love.

Congratulations! The future is yours!

You are prepared for the next step.

# **Alma Mater To Denison**

**V.E. Field, 1903**

*To Denison we raise our song,  
Fair college on the hill,  
The name that sets our souls on fire,  
And makes our senses thrill.  
To Denison, my Denison,  
In praise our voices swell,  
The scene of happy college days,  
The home we love so well.*

*Oh morning glow, which gilds the east,  
Oh sun which shines at noon,  
Oh stars which bloom at eventide,  
Oh radiant glowing moon,  
Look from the pathless, azure dome,  
Shed blessings from above,  
On college halls and college walls,  
The Denison we love.*

*And when the shadows softly fall,  
O'er hills and valleys dear,  
Across the college campus rings,  
The melody so clear;  
The circling hills throw back again,  
The glad inspiring song,  
And in our hearts to Denison,  
Our praises we prolong,*

*When from the fold we far shall stray,  
With our souls no longer young,  
We'll ne'er forget our college days,  
These happy scenes among;  
And when our steps have feeble grown,  
Our journey almost done,  
E'en then with fleeting breath we'll praise,  
Our dear old Denison.*
